

SANBORN ELEMENTARY PLAYGROUND FUNDRAISER

SANBORN ELEMENTARY SCHOOL PTO

Our Vision

In partnership with the **Colleen E. Ritzer Memorial Fund**, the Sanborn Elementary School PTO is launching an exciting community initiative to build a new playground that encourages creativity, exploration, and inclusion for all students.

Our current playground is well-loved but aging, and it's time to create a space that reflects our school's vibrant energy and growing community. With your partnership, we'll create a safe, inspiring environment where children can play, learn, and build friendships for years to come.

We're seeking business and community partners to help us raise \$50,000 to bring this project to life.
